

SUNDAY 24 SEPTEMBER 3:00PM MASS PROTEST RALLY THE GREEN, CULHAM

South Oxfordshire District Council have now announced that 3500 new houses on Green Belt between the Station and Thame Lane will be in the final version of their Local Plan.

This is the largest strategic site in the whole of South Oxfordshire and it is on Green Belt!

There will be a final public consultation in October and Save Culham Green Belt is still fighting the plan but we need the whole village to help us.

We are arranging a mass rally & we hope a photo will be taken by drone from above for press use.

We are making the event as accessible as possible and inviting EVERYONE to join us.

We will form a 'Human Green Belt' around the perimeter of the Village Green*.

We will provide a really long green ribbon to join us. Please wear something green, or green face paint and/or hold a branch of greenery from your garden. To make the 'NO' we'd like kids to wear white. We are having banners made but please bring a home-made placard with any message you wish (eg 'Preserve the Green Belt' / 'Stop the Urban Sprawl!' / 'Keep Culham Rural' / 'We Love Green Belt' / 'No Town Wanted Here' – anything else that transmits this message.

'Green Belt Cream Teas (rhubarb and orange jam) will be available for refreshment.

We already have agreements from Oxfordshire Guardian and Oxford Mail & Times to give us press coverage. We are also trying to contact the national press.

**PLEASE MAKE A NOTE IN YOUR DIARY AND COME OUT IN FORCE TO SUPPORT US
AND SAVE CULHAM FROM BEING TURNED INTO A TOWN.**

Come rain or shine, with children, parents, cousins, friends – as many as possible!

*to be clear the Culham Green is not part of the development area but it is the most accessible place to assemble as many people as possible without trekking up Thame Lane and risking trespass on the farmland proposed for the new town of 3500 houses.

NO!

TO 3500 HOUSES ON CULHAM GREEN BELT
